

## REPORT AN ABUSE

We take very seriously the reports of abuse. If you wish to report a copyright infringement or copyright, you must send a clear and accurate notification. A clear and accurate reporting MUST have the following information or it will be ignored:

1. Your identity (you must be the owner of suspicious content or the person authorized to represent the holder of rights violated).
2. Your contact information, including your real name, your address, your number phone and email address.
3. A link or an address with the original work may have been hijacked.
4. Precise description of the content published on our site improperly and should be removed from [www.realitysex.eu](http://www.realitysex.eu)
5. The designation of the suspect video by URL.
6. Proof that you are the owner or legal representative of the heirs.
7. Proof that your request is justified in the eyes of the law.
